

June 2009

Dear NAOHN members and friends,

I can hardly believe that my term as President of NAOHN is quickly coming to a close. The time has just seemed to fly by.

I want to thank each and every one of you for everything you have done for our organization and for the help that you have given to me. I have met some wonderful people through this great organization of ours and will treasure those friendships. We are an awesome group of nurses!

We as an organization have a lot to offer each other and our communities. We are a smart, inventive, and problem-solving group of folks. There is nothing we can't figure out when we need too. And we have a good time when we get together. ☺

I hope that you will continue to be supportive of our organization in the future. There will be many more educational offerings and events to come. One of the very special opportunities, at least for me, has been the networking sessions with our members. It is through these that I have learned much and gotten to know many of you. I hope to continue to see many of you at events in the future.

I want to wish each of you and your families continued health and happiness and success with your careers. Please take care of each other.

Sincerely,
Roberta Opperman
NAOHN President
